

Supporting Island Hospital and promoting quality healthcare close to home.

January 2011  
Volume 3, Issue 1

# 2010 ANNUAL REPORT

## A LETTER FROM OUR PRESIDENT

With strong community support over the past year, Island Hospital Foundation has provided more than \$720,000, almost three quarters of a million dollars, to Island Hospital during 2010 to support quality healthcare and expanded health services in Anacortes.

The Foundation has benefited from a double-digit increase in annual giving, the continued success of our signature events --- the Gala of Hope, Annual Golf Classic and Celebration of Trees, and significant growth of our endowment funds, fueled by the bequest of \$1.6 million from the estate of Elden and Ann Merle.

We are eagerly anticipating the ground breaking for the Island Hospital Medical Arts Pavilion which will house the Elden and Ann Merle Center for Cancer Care, Physical Therapy, as well as bring Wound Care

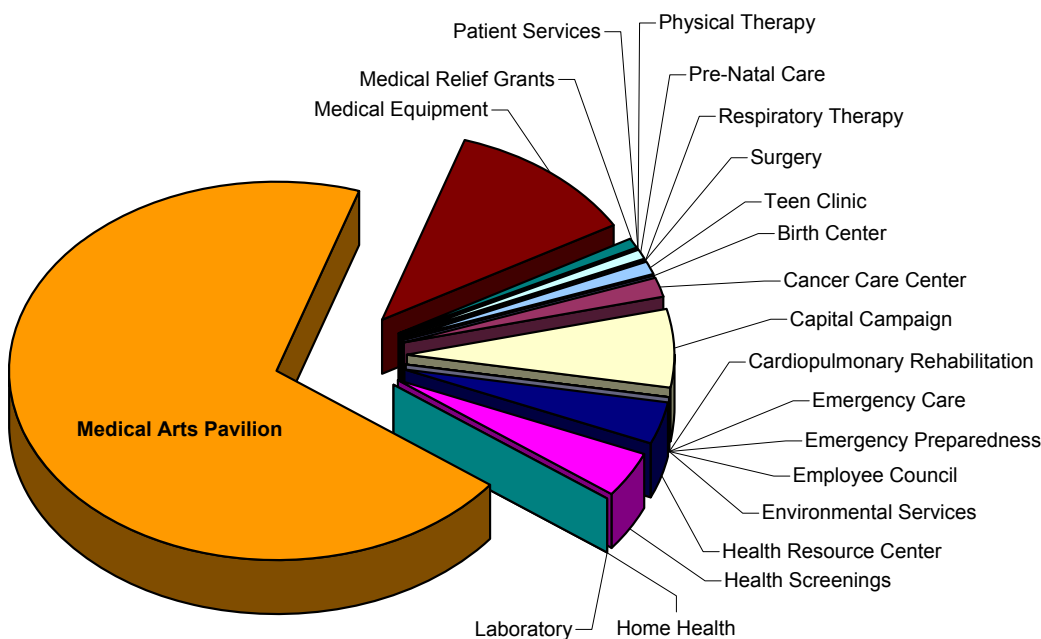

services close to home in Anacortes. We are pleased to be able to support this effort, which continues Island Hospital's fine tradition of keeping pace with our growing population and their diverse health needs.

On behalf of the Island Hospital Foundation Board of Directors, thank you for your expression of trust in the Foundation, and your generous contributions - both volunteer and financial - during 2010. All healthcare systems will face challenges in the year ahead. We invite your continued participation with Island Hospital Foundation to assure continued quality health services for our community.

Dianne Kuhn  
President, Island Hospital Foundation
